Dear Farm Wise Team

Thank you indeed for your invitation to the Farm Wise event last Tuesday. It was quite brilliant, beautifully conceived and executed.

Congratulations to all of you for the seemingly flawless organisation and to the farmers who contributed so much of their time and resources to the event.

My wife and I enjoyed the day immensely and wish you good luck for future events which give so much to the children who attend. I would love to have read some of the essays they almost certainly were asked to write the following day. Perhaps a future feature might be an essay competition.

With kind regards,

Yours sincerely,

**Cllr Ian Bramble
